

Part Time-On Call (PT-OC) Fleet Safety & Compliance Consultants

Date Submitted: July 2021
Hiring Organization: Integrated Loss Control, Inc. (ILC)
Location: Minneapolis, MN and Target States (AZ, MN, WI, IA, ND, SD)

Compensation: Based on experience and skill sets

Who is ILC? – ILC, a well-established (30+ years) Shoreview, Minnesota, based consulting firm, is seeking PT-OC individuals with the minimum listed qualifications to join us as a member of our professional team.

What are we looking for? – (Individuals, and/or Organizations) – Seeking established organizations who meet the qualifications listed to help supplement ILC’s service programs. We are also seeking experienced INDIVIDUALS who are qualified, experienced professionals who may be retired but wish to stay active at a level that works best for them, are semi-retired or considering working less than full-time at this point of their career. We are building a TEAM of experienced individuals who can work on an on-call basis and/or service a measured client book of business. Our Part-Time TEAM members will supplement our full-time TEAM members and other PT-OC professionals (supporting each other). It is our goal to create a pool of experienced, knowledgeable professionals from relevant, yet differing backgrounds. This will expand ILC’s capabilities and allow ILC and its TEAM members to grow and be rewarded for the quality service provided to our clients. ILC will be further recognized by its peers and our current and future clients as the “Trusted Resource of Choice”.

The PT-OC consultants, based on their individual skill set, can be called upon to perform remote on-line, and as necessary, limited hands-on consultative services to a diverse client base, including in-service to ILC. Helping prevent and/or minimize losses and maintain compliance with FMCSA and State DOT regulations.

The benefit to you? – As an individual we offer competitive compensation and an excellent work environment. As an organization we can bring work to you and establish a referral opportunity between us. If you are an individual and a qualified candidate with a desire to remain active and grow professionally, want to be rewarded for your efforts and wish to make a positive contribution to the organization and TEAM you join and the clients you support, then we would like to talk to you.

Qualifications: The successful candidate will have the following qualifications, but not limited to:

- 8 + years of relevant hands-on experience in fleet safety program administration and DOT compliance in the trucking industry
- Experience developing and auditing fleet safety programs
- Successfully reduced losses within a trucking organization
- Successfully maintained compliance with FMCSA and State DOT regulations

- Experience in hazardous materials shipping and security plan administration helpful
- Familiar with FMCSA, State DOT and other relevant regulatory websites
- Experience with driver training and coaching in a positive and acceptable manner
- Ability to work as part of a team and with little or no immediate supervision
- Familiarity with electronic log regulations and systems
- Strong customer service skills
- Must have extensive and detailed working knowledge in FMCSA and State DOT compliance
- Must be extremely proficient in writing and public speaking skills
- Spanish as a second language is a plus

In addition, the candidate will have the following skills:

- Excellent phone/communication/grammar skills
- Strong background using computers and proficient in MS Office applications (Word, Excel, PowerPoint, Outlook)
- Ability to work with and learn software applications
- Must be trustworthy, dependable, flexible and creative
- Technical accuracy and attention to detail a must
- Ability to handle efficiently, a variety of responsibilities and projects
- Self-starter and manage fast pace and meet deadlines, hold matters in strict confidence
